4 Nuro is a great demand for matriculates now. Under the Nuro educational dept. offers Rs: 20/ to start invariably & matriculates are unwilling to enter the dept as office clerks. It seems to be very necessary to improve their prospects. As the proposal is to open for them a grade as Rs: 20/ from 1st July 19, it may be sanctd, provision being made in the budget. The Comptr has to be requested to treat this matter as a special case & to verify the proposal.

No further steps may be taken until orders are received.

Final Note by the Second Member of Council.

Subject:- 69)

Increase of the pay of apprentice clerks in the subordinate Civil Courts.

There are 25 apprentice clerks on the establishments of the subordinate Civil Courts and their pay, which was originally fixed at - Rs.10/-, was raised to Rs.15/- in connection with the reorganisation of the establishments of these courts in 1915. The system of appointing such clerks was introduced in 1905 on the recommendation of the Chief Court with a view to improve the efficiency of the clerical service. But it is reported that the system has failed to secure this object on account of the pay and prospects not being attractive enough for young men possessing the requisite qualifications. The Chief Court therefore consider it necessary to raise the pay of these appointments to Rs.20/- and to allow the incumbents to count their service as apprentices for leave and - pension, which is now not admissible under Articles 133 (a) and 252 of the Mysore Service Regulations. The attention of the Chief Court having been drawn to the fact that whilst the pay of the permanent clerks remained at Rs.20/-, the enhancement of the pay of the apprentice clerks to Rs.20/- would not be appropriate, the Chief Court have suggested that the qualifying word "apprentice" may be changed to "probationary" or may be completely omitted and the period of probation fixed at six months.

2. The proposal of the Chief Court, as thus revised, practically amounts to doing away with the class of apprentice clerks on Rs.15/- and adding their number to that of permanent clerks on Rs.20/- on the establishments under advertence. The resulting extra recurring expenditure will be Rs.1,500/- per annum.

3.

3. The Financial Secretary, who was consulted in the matter, is not in favour of either increasing the rates of pay of the officials in question or of altering the existing arrangement. But, having regard to the fact that the minimum pay of clerks in the Revenue Department has lately been raised to Rs.20/-, I am of opinion that the minimum pay in the Judicial Department should likewise be fixed at Rs.20/- the appointments being subject to probation for six months as proposed by the Chief Court.

To

Chief Secretary to the Government of Mysore,

BANGALORE.

Sir,

I am directed to submit for the consideration of Government the following proposals in regard to the Apprentice Clerks of Civil Courts.

2. The appointment of apprentice clerks was sanctioned in Government Order No.J.3046-7/C.42-5 dated the 25th April 1905, on the recommendation of the Chief Court, in order to improve the efficiency of the establishments of the subordinate civil courts by introducing young men of good character with sufficiently high educational qualifications. Three such clerks had to be attached to each of the subordinate civil courts in the State, and one of them was to receive Rs 10/- a month, the other two being unpaid. The pay was raised to Rs 15/- in 1915 at the time of the re-organization of the establishments of the subordinate civil courts.

3. The remuneration however not being sufficiently high, nor the prospects of promotion sufficiently bright,

To

C.S.Balasundaram Iyer, Esq,, B.A.,
Chief Secretary to the Government of Mysore,
BANGALORE.

Sir,

Adverting to this Office Letter R.O.C.No.480 of 1917-18 dated the 4th instant submitting for the consideration and sanction of the Government proposals to improve the pay and service of apprentice clerks in Civil Courts in the State, I am directed to state that the Comptroller to whom a proposition statement was sent for verification and transmission to Government has returned the same on the ground that it was not sent up within the time fixed in Government Order No.Fl.1326-75/G.F.75-16-3 dated the 30th August 1916. As there was some unavoidable delay in the submission of the proposals in question owing to the recent transfers in this office during the last half year, I am to request that the Government may, as a special case, be pleased to direct the Comptroller to verify and submit to Government the proposition statement which is herein enclosed

I have the honor to be,

Sir,

Your most obedient servant,

REGISTRAR.

to attract Matriculates, the Chief Court had in many cases to permit the appointment of candidates who had passed only the Lower Secondary Examination when Matriculates were not available.

The arrangements made by courts were thus not altogether in consonance with the principles enunciated, and appointments were generally made from the lower rungs of the service even though the men appointed were not qualified in order to keep the work from falling into arrears. The Comptroller has on several occasions taken objection to such appointments and the Government have had to be approached for special sanction.

3. The existing rules being thus found to be unworkable, the Judges are of opinion that the pay and prospects of the apprentice clerks should be bettered in order to attract to the service men with the prescribed educational qualification, and that the pay of apprentice clerks be fixed at Rs 20/- a month. I am therefore to request that the Government may be pleased to accord sanction to the recommendation with effect from the 1st of July 1919, necessary provision therefor being made in the budget for the next official year.

A proposition statement is forwarded through the Comptroller for favour of sanction.

4. In this connection, I am also to state that on a reference from the District Judge of Shimoga with regard to the service of the apprentice clerks for leave and pension, the Comptroller was consulted and he is of opinion that under Articles 133 (a) and 252 of the Mysore Service Regulations, the service of an apprentice clerk does not count for leave or pension. As this disability keeps off desirable men from entering the service as apprentice clerks, I am to request

that

58

that the Government may be pleased to direct that their services may count towards leave and pension under the ordinary rules.

I have the honor to be,

S i r,

Your most obedient servant,

S i r,

With reference to your letter No.G.5362/Cts.165-18-5 dated the 2nd September 1919, requesting alternative proposals in the matter of increasing the pay of apprentice clerks from 15 to 20 Rupees, I am directed to state that though virtually there will not be any material difference between the ordinary clerks and the apprentice clerks, if the proposal is sanctioned, yet all clerks before they are permanently appointed should have to be apprentice clerks and should possess the educational qualifications prescribed therefor. I am therefore to suggest that the name may, if necessary, be changed from "apprentice" to "probationary" or may be completely omitted and the period of probation fixed at six months.

I have the honour to be,
